

In the Smart and Skilled Application providers indicate their willingness and capacity to deliver a qualification in one or more of 15 regions.

Regions are based on Australian Bureau of Statistic (ABS) SA4 statistical areas and metropolitan Sydney (combining a number of SA4 regions).

The information below maps NSW postcodes to the regions listed in the Application.

Please note that at the SA3 and SA2 levels, some postcodes may be split across regions. Where this is the case, these postcodes appear more than once.
